HELI-SKIING | FLY-FISHING | HELI-HIKING

Bartender & Common Area Housekeeper

Crescent Spur Heli-Skiing | Robson Valley, British Columbia
Season: Late December 2026 to mid-April 2027

Spend your winter in the BC mountains

Join us at Crescent Spur for a winter of mountain lodge life, varied work and lasting connections. We are looking for someone who enjoys guest-facing hospitality, takes pride in creating welcoming spaces and is happy to move between front-of-house service and behind-the-scenes lodge care.

Owner-operated since 1992, Crescent Spur welcomes up to 20 heli-skiing guests each week. Many return year after year, creating a relaxed and familiar atmosphere where thoughtful, personal service is an important part of the guest experience.

The role

This position is split between bartending and guest service three days each week and common-area housekeeping three days each week.

On bar days, you will oversee the après-ski experience, welcoming guests back from the mountains, preparing drinks and helping create a warm and relaxed atmosphere before transitioning into dinner and beverage service.

On housekeeping days, you will care for the lodge's shared guest spaces, including lounges, fireplaces and outdoor areas, along with laundry, restocking and general presentation.

The regular schedule is generally six days on and one day off each week, averaging approximately 55–60 hours per week. Hours vary depending on the role scheduled that day and operational needs.
